CERTIFICATIONS

CompTIA Security+

Google Cybersecurity Certificate

WORK EXPERIENCE

Law Office of David Wasser

IT Generalist

06 / 2021 – Present

- Responsibilities include managing network security and hardware, troubleshooting IT devices, ensuring regulatory compliance, optimizing websites, enhancing user engagement, and paralegal duties
- Deployed, and configured network hardware offering improved security controls and coverage, including WPA3 encryption.
- Conduct vulnerability scanning of the enterprise LANs and resolve any issues.
- Troubleshoot devices (desktops, printers, and network components).
- Configured an SMS A2P campaign to comply with regulations governing VoIP communications.
- Updated company website to optimize mobile device browsing and fix issues with the site architecture. Led to an 80% increase in average engagement time for users and a 58% increase in website health score.
- Develop and manage Google Ad Campaigns that improved KPIs (CPC, Conversion Rate) by 43% and 135%.
- Paralegal duties - conduct legal research, produce PowerPoint slides, craft legal documents, and speak with clients.

Point Break Staffing

President

01/2016 – 06/2021

- Owned and operated a boutique recruiting firm that specialized in placing financial services professionals, and IT roles with security clearances.
- Placed candidates in the financial services industry focusing on commercial real estate and multifamily. Clients included one of the largest multifamily lenders in the United States.
- Delivered candidates for IT positions requiring security clearances for government contractors. Positions ranged from Programmers to Network/System Administrators and Architects.
- Negotiated search agreement contracts between the company and clients.
- Placed candidates in other industries (Sales, Legal, etc.).

The Hire Authority

Contract Recruiter

09/2013 – 12/2016

- Located candidates utilizing LinkedIn and Craigslist, screened them, and if qualified submitted them for consideration for various client openings.
